## Project Description

(Please answer the following questions (#1-10) in 1,000-1,500 words total)

1. What is the need or opportunity this project will address?
2. What are the project's goals?
3. What are the tasks and timeline of the project?
4. How will this project improve your farm's ability to increase sustainable wholesale food production?
5. Please describe the capacity of your farm to complete the project? Who will be responsible? Please use names and relevant experience where applicable.
6. Will you be willing to work with the MFC and CCCD to make the public aware of the project (e.g. press, community events, etc.) ? Please explain your level of interest?
7. How will you educate other farmers on the benefit of the project?
8. What is your plan for covering ongoing costs after the grant is completed (e.g. equipment maintenance)?
9. How/when will you know you're successful? What metrics and targets will you use?
10. Are there any broader benefits to the community that the project offers?

## Project Budget

Amount Requested (\$500 - \$5,000):

How much money is needed in total to complete the proposed project?

If your group receives a Monadnock Food Coop Farm Fund grant, how do you plan to pay for remaining expenses? Please explain the source and status of the other funds (e.g. are they secured?)

Please summarize your project costs in the table below. Include any costs covered by the farm applicant, costs requested from the grant fund, and funds contributed from other sources. Check the corresponding box to indicate which expenses the applicant will cover (e.g. farm labor), which expenses will be covered by other sources (if any), which expenses you request from the grant fund.

Allowable expenses: equipment, installation by qualified contractors, professional services  
 Expenses not allowed: farm staff hours
