- Organizations that have as a goal improving and/or educating consumers about the nutritional quality of food; improving sustainability in food production; and/or supporting local food production.
- Organizations that support cooperative values, such as farm production co-ops.
- Organizations that support learning and personal development, such as educational institutions.
- Organizations that promote buying from locally owned businesses and support the local economy.
- Organizations that provide support to members of the community who are in need, such as low-income households.
- Organizations that support environmental stewardship.

To allow us to more fairly consider each request we receive, please fill out the Donation Request Form on the reverse side and return it to the Customer Service Desk, mail to Monadnock Food Co-op, ATTN: Marketing/Membership Manager, 34 Cypress Street, Keene, NH 03431, or email it to marketingmonadnockcoop@gmail.com. **If the donation will be tax-deductible, please include certification of your non-profit status.** Also, if possible please include copies of any printed materials about your organization or the program for which you are requesting a donation. Due to the high volume of requests we receive, **requests should be made at least three weeks prior to the event.**

The Monadnock Food Co-op makes donations in the form of products or a gift card. We attempt to spread our donations out among as broad a spectrum of community organizations as possible, and are more likely to make small donations to many different organizations on a frequent basis than large donations to a few organizations. We do not donate to individuals.

We will carefully consider your donation request and do the best we can to support your organization. Thank you for thinking of Monadnock Food Co-op, and for your valuable work in the community.
