TIPS FOR TAKING THE TOUR

- Bring cash, credit cards, and a cooler! Farms will be selling a host of products, snacks, clothing, and more! Some are cash only, others take venmo and debit cards.
- The cooler is to keep your food purchases fresh.
- Plan on visiting two or three farms.
- After petting animals, please take time to use hand sanitizer provided at each farm.
- Wear shoes—no open toed sandals. You have no idea what you might step in! AND farms may ask you to disinfect your shoes to prevent farm-to-farm transmission of germs.
- Bring sunscreen, hats, bug spray, and water.
